

**Thanks to all our donors in 2017**, DSIA has handed out over 150 New Parent Guides to New families, connected families with New Parent Mentors and held 2 New Parent Breakfasts - giving families and chance to connect and support each other. Without your help, these families would feel lost, hopeless and unsupported. On their behalf, thank you!

DSIA was also able to host various social events for our Self Advocate group – including a new 21 and over age group, expanded our support and resources into Shasta and Sutter County, and was a proud host of the National Down Syndrome Congress Convention. And lastly, for the 3rd year in a row, we hosted the iCan Shine Bike camp - teaching individuals with disabilities how to ride a bike!

Today, we're launching our 2017 Year-End Campaign. Our goal for this campaign is to raise \$10,000 by December 31st.

**Would you be willing to make a special year-end donation of \$50, \$100 or whatever you can afford to help us meet our goal? Would you be willing to share this campaign with friends and businesses that you know want to support a great cause?**

We simply can't do it without you. Your support will make a real, lasting impact in the lives of those who have a loved one with Down syndrome.

Thank you for your continued support and friendship.

With gratitude,  
Heather Scott
